

7 Patents for Vascular Disease

- **U.S. Patent 5,217,997**
Use of L-Arginine in the Treatment of Hypertension and Other Vascular Disorders
- **U.S. Patent 5,428,070**
Use of L-Arginine in the Treatment of Vascular Degenerative Diseases
- **U.S. Patent 5,852,058**
Use of L-Arginine For Inhibiting Lesion Formation After Vascular Injury Including Inhibiting Restenosis
- **U.S. Patent 5,861,168**
Use of L-Arginine Specifically in the Body of a Stent To Inhibit Restenosis
- **U.S. Patent 5,891,459**
Use of L-Arginine As Dietary Supplement In Improving Vascular Function
- **U. S. Patent 6,117,872**
Use of L-Arginine To Enhance Aerobic Exercise Performance
